Puppies should be vet checked within 3 days of receiving: major health issues must be communicated to us immediately (this stipulation may or may not be waived by Seller). \_\_\_\_\_ Seller's Initials if Waived

Guarantee:

The puppy is guaranteed for one year against eye retina displacement, thyroid, heart disease, genetic patellas requiring surgery. Severe genetic hip dysplasia confirmed by a qualified veterinarian is guaranteed for two years. Other hip and joint problems can be caused by overfeeding, not maintaining proper weight, over exercising, and other factors that would be out of our control when in the development stages. Quality food such as Taste of the Wild High Prairie Puppy Food or an equivalent brand must be fed for the first two years otherwise you will void your guarantee.

I cannot guarantee adult size or color. I will use my best guess on size and color but changes may occur as a dog develops. Initial puppy socialization will be done by us, but it is your responsibility to continue to educate and further develop desired behavioral traits.

Puppies must be picked up within one week of turning 8 weeks old (unless longer is agreed to in advance by Seller). Additional time agreed to by Seller \_\_\_\_\_ Seller's initials.

A daily boarding fee will be assessed for puppies kept beyond this time frame.
